

Press Release (28 March 2010)

卡姆丹克太陽能系統集團有限公司
Comtec Solar Systems Group Limited
(Incorporated in the Cayman Islands with limited liability)

Headline: Comtec Solar Systems Group Limited, the world's top solar silicon wafer manufacturer, issues TDR in Taiwan

Comtec Solar Systems Group Limited (“Comtec Solar” or the “Company”, stock code: 0712HK), a listed company in Hong Kong, commissioned Jih Sun Securities Co., Ltd. in Taiwan to be the underwriter of this TDR issue scheme. An application for issuing the TDR was submitted to the Taiwan Stock Exchange on 28 March 2010.

Comtec Solar Systems Group Limited is a manufacturer of monocrystalline solar ingots and wafers based in Shanghai and Haian, China and mainly engaged in the design, development, manufacturing and sales of quality solar wafers. Founded in 1999, Comtec Solar was a manufacturer of semi-conductor silicon wafer and has entered the solar silicon wafer industry since 2004. It is also one of the first manufacturers in China which can commence the mass production of 156 mm by 156 mm monocrystalline solar wafers with a thickness of 170 μm . The Company's experience as a semi grade wafer producer in its early development stage laid a solid foundation for its current solar energy business. Currently, the products of the Company are mainly offered to the major manufacturers of solar cells worldwide, such as Suntech Power, JA Solar, Canadian Solar, China Sunergy, Gintech, Motech and Neo Solar.

It is expected to issue 100,000,000 new shares under the scheme with each unit of TDR representing 1 ordinary share of Comtec Solar.

The proceeds are mainly used for funding its working capital. The competitiveness and brand awareness of the Group will be enhanced by the issuance of TDR.

Driven by the rising demand for solar energy products in the world, the market demand for quality monocrystalline silicon wafers has increased rapidly. For the accounting year of 2010 (1 January 2010 to 31 December 2010), the profits and profit after tax of Comtec Solar Systems Group Limited amounted to NT\$4,552,460,000 and NT\$990,077,000 respectively, while the gross profit margin and the net profit margin were 32.61% and 21.75% respectively.

- End -

Issued for and on behalf of Comtec Solar Systems Group Limited
